CAPODARTE

Dal calore della Puglia alle vostre case.

Capodarte arreda gli ambienti da vivere, quelli in cui si condivide il tempo, si intrecciano emozioni, si costruiscono ricordi.

Con questo catalogo vi accompagniamo alla scoperta della nostra idea di casa: un equilibrio tra bellezza e funzionalità, tra design e comfort, tra personalità e armonia. Le nostre collezioni nascono per dare forma a stili diversi, rispettando i gusti, i desideri e le esigenze di chi vive ogni spazio. Tavoli, sedie e complementi pensati per interpretare ogni ambiente con carattere, eleganza e armonia.

Rispondiamo con cura all'abitare contemporaneo, seguendo l'evoluzione delle tendenze senza mai perdere di vista ciò che per noi conta davvero: la qualità dei materiali, la ricercatezza delle linee, l'autenticità del vivere italiano.

Con Capodarte, ogni casa può diventare un racconto di sé.

Un racconto da abitare.

From the warmth of Puglia to your homes.

Capodarte furnishes living spaces, places where time is shared, emotions intertwine and memories are made.

With this catalog, we invite you to discover our idea of home: a balance between beauty and functionality, design and comfort, personality and harmony. Our collections are created to give shape to different styles, following the tastes, desires and needs of those who live in each space. Tables, chairs and furnishing accessories are designed to interpret each environment with character, elegance, and harmony.

We respond carefully to the contemporary lifestyle, following the evolution of trends without ever losing sight of what really matters to us: the quality of materials, the refinement of lines, the authenticity of Italian living.

With Capodarte, every home can become a story about itself.

A story to be lived.

Tavoli Tables

Un tavolo non è solo un arredo: è il luogo dove si condividono gesti, parole, silenzi. Dove si apparecchiavano le giornate e si celebrano le piccole cose. I nostri tavoli, fissi o allungabili, rotondi, ovali o rettangolari, hanno linee essenziali, morbide o grafiche; superfici che raccontano la materia e la trasformano in emozione. Per ambienti che vogliono essere vissuti, non solo abitati.

A table is not just a piece of furniture: it is the place where gestures, words, silences are shared. Our tables, fixed or extendable, round, oval or rectangular, have essential, soft or graphic lines; surfaces that tell the story of matter and transform it into emotion. For environments that want to be experienced, not just lived in.

Sedie Chairs

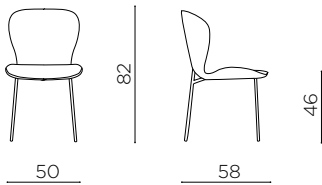

Una sedia è molto più di una seduta: accoglie, sostiene, avvolge con una curva, un'impuntura, una linea ben disegnata e può cambiare il carattere di uno spazio. Rivestite in tessuto, similpelle, similcuoio o bouclé, le nostre sedie sono pensate per dialogare con ogni ambiente. Ogni dettaglio parla di cura, stile ed equilibrio, unendo comfort e personalità per interni che raccontano chi li vive.

A chair is much more than a seat: it welcomes, supports, envelops with a curve, a stitching, a well drawn line, and can change the character of a space. Upholstered in fabric, leatherette or bouclé, our chairs are designed to dialogue with any environment. Every detail speaks of care, style and balance, combining comfort and personality for interiors that tell the story of those who live them.

Sgabelli Stools

Lo sgabello è un elemento d'arredo, capace di coniugare comfort, stile e funzionalità. I nostri sgabelli imbottiti, con struttura a piedistallo o gambe in metallo, si adattano con naturalezza a diversi contesti: perfetti attorno a un'isola, davanti a un bancone o in un living. Ogni modello racconta un'idea diversa di quotidiano, con materiali scelti e dettagli che lasciano il segno.

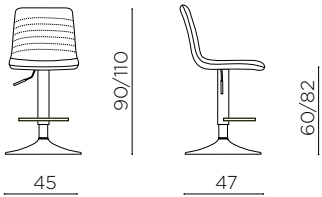

The stool is a piece of furniture, capable of combining comfort, style and functionality. Our upholstered stools, with a pedestal frame or metal legs, adapt naturally to different contexts: perfect around a kitchen island, in front of a counter or in a living room. Each model tells a different idea of everyday life, with selected materials and details that leave a mark.
